Home Delivery

We can deliver anywhere in the UK and Northern Ireland (unless otherwise stated) as well as the Channel Islands via our partner Ship2me. We are unable to deliver to the Isle of Man, Isle of Scilly, Orkney, Western Scottish Islands and Shetland Islands. For full details of our delivery services please see page 6 of the catalogue or visit www.argos.co.uk and click on home delivery.

Small Items

These products are delivered on our behalf by "Home Delivery Networks Ltd", the largest parcels delivery carrier in the UK. Delivery times for most products are 7am-8pm Monday-Friday and 7am to 6pm on Saturday (this excludes Bank Holidays). You will be advised whether there is an am/pm slot available when you order. If no one is at home when the driver calls, in many cases we will be able to leave the parcel with a neighbour or in a safe place. We will leave a card to let you know where to pick it up from or give you some options to re-arrange delivery.

Larger Items

These items are delivered by our own two man delivery service. If your goods are in stock at our regional warehouse you will have been given a delivery date and time at the point of order. If your goods are not already in the warehouse we will call you when they are ready for delivery. Check your receipt for delivery information. The evening before your delivery we will let you know your expected 2 hour delivery time slot. On your delivery day, our drivers should phone ahead before they arrive (unless it's an early morning delivery). Any item marked "Home delivery only" will be delivered to any room provided drivers do not feel there are any health and safety issues such as a staircase which is too narrow or there is danger of damage to the customers property (delivery room of choice is not available on items marked as 48 hour delivery). If your order is a combination of small and large items, these will be despatched from different warehouses and will come in 2 separate deliveries but you will only pay one delivery charge. Check your receipt for your delivery information.

2 Day Express Delivery Service

Selected items only. Subject to stock at our warehouse and delivery location it will be delivered to you usually in 2 days (this excludes Sundays and Bank Holidays). For deliveries to Northern Ireland Express delivery may take an extra day. Unfortunately we cannot offer this service to remote areas of the UK (Scottish Highlands and Islands).

Supplier Deliveries

Some items are delivered direct from our suppliers. The supplier will contact you directly to arrange a suitable delivery time. Delivery times may vary from our standard service.

Recycling of Old Appliances/TVs

This service is only offered through our home delivery service on the purchase of new large kitchen appliances or selected TVs. If you have ordered collection for a washing machine, dishwasher or fridge freezer the old appliance must be disconnected/defrosted and emptied of water prior to delivery of new appliance. See page 1688 in the catalogue for more details.

Recycling

Please dispose of your old electrical appliances and any waste batteries responsibly. See page 1688 of the catalogue for more details.

Here's how the Argos Card works

Say you spend £50 this Christmas. You'd qualify for a 3 month Buy Now Pay Later plan. That means you would have no payments due for 3 months, although you can make payments if you wish. If you pay off the balance of any Buy Now, Pay Later Plan by the due date and you will have no interest to pay. If you choose to spread the cost further, then interest will be charged on the whole balance from the date of purchase and you then have to make a minimum monthly payment. For details of this and your interest rate please refer to either your terms and conditions or monthly statement. Representative 29.9% APR variable*

Fixed Payment Plans - If you're spending over £199, you can choose a fixed payment plan over 24, 36 or 48 months. You pay a fixed amount each month at an interest rate of 29.9% fixed. *Please note: the APR relates to the Argos card as a whole and is variable. The interest rate for the fixed payment plans will be fixed.

All credit is provided subject to status by Home Retail Group Card Services Limited, Thynne Street, Bolton BL1 1AS. Argos limited acts exclusively in relation to store cards as a credit intermediary for Home Retail Group Card Services Limited. Registered in England number 4007072.
